CORRECTION

Correction: Empagliflozin-associated postoperative mixed metabolic acidosis. Case report and review of pathogenesis

Michal Sitina^{1,2,3*}, Marek Lukes^{1,3} and Vladimir Sramek^{1,3}

Correction: BMC Endocr Disord 23, 81 (2023). https://doi.org/10.1186/s12902-023-01339-w

Following publication of the original article [1], the authors reported that the funding information was mistakenly missed in the manuscript.

The correct funding statement should be:

The study was supported by the European Regional Development Fund - Project ENOCH (No. CZ.02.1.01/0. 0/0.0/16_019/0000868).

The original article [1] has been updated.

Published online: 28 August 2023
